

Merchantville Art Walk 2020 - Artists

Be a part of the third annual Merchantville Art Walk.

This year's Art Walk will take place on May 1st, 6pm - 9pm. It will be paired with the „First Friday“ events in town.

What is an Art Walk? Each participating business will be paired with a local artist and the artist's work will be on display inside of the business for the night.

The Art Walk encourages guests to stroll around town and visit each participating business to see and hopefully purchase the art. The goal is that the Art Walk benefits the artists AND the businesses.

The fee for artists to participate is \$25. All sales are handled by the artists and are 100% yours.

The Eilandarts Center will organize the pairing of artists and businesses, as well as coordinating the hanging of the show. We will also take care of the website, advertising, flyers, and postcards.
